

MIABELLA PRESENTS

TIME TRIBUTE

BAROQUE TO ROCK.

A journey through millennia — from the delicate elegance of the Baroque era to the raw power of modern rock.

01 THE ARTIST

13 Years In The Making

Miabella Nesbitt is a multi-instrumentalist with 13 years of classical training and live performance experience. A Trinity College London graduate with Distinction, she's equally at home on piano, guitar, and vocals.

Her Time Tribute series offers promoters more than just music — it offers an event. Each show is a carefully crafted journey through musical history, combining technical excellence with theatrical storytelling.

From intimate acoustic sets to full-band productions, Miabella delivers performances that leave audiences breathless and venues booked months in advance.
